

Zane Simon, Class of 2021

Family Life Education
and Youth Ministry

The support that students receive helps us to see how God provides for his people and provides many students with the ability to succeed in their college career. Your generosity has a huge impact on the lives of students."

ay

Every year, hundreds of students graduate from Concordia University. Thousands have received their degrees and gone on to live the mission of serving others. As a distinctively Lutheran Christian university that still holds true to conservative, traditional values, Concordia stands apart from so many other institutions today as do our students and graduates. When students receive a degree from Concordia, they are ready to *Live Out*.

Unlike public institutions, Concordia relies on the generosity of alumni and friends who share our values and see an

investment in our students as a sign of hope for the future. With more than 99 percent of all Concordia undergraduate students receiving financial aid, gifts to the Concordia Fund allow more students access to a world-class education rooted in Christian faith.

The Concordia Fund is an important source of financial aid resources. In addition to providing scholarship support, gifts to the Concordia Fund also help us retain top quality faculty and state-of-the-art facilities that equip students to excel in their field of study.

SUPPORTING OUR STUDENTS

Supporting our Mission

Contributing to the Concordia Fund is easily done through:

- Online giving (cuw.edu/give or cuaa.edu/give)
- Checks
- Gifts of stock
- Donor Advised Funds
- Charitable IRA RMD

Other ways to help students grow in mind, body, and spirit through your support:

- GEMS (Give Every Month – automatic giving program)
- Adopt-a-Student (an annual gift of \$1,000 or more designated for students with exceptional financial need)
- Crowdfunding (special projects and programs, especially mission trips, are often supported through our crowdfunding platform)
- CU Ventures (an opportunity to support young entrepreneurs and other innovative projects that could literally change the world)

For more information about any of these options for supporting our students and mission, please contact the Office of Advancement at 877-CUWAA-GO (877-289-2246).
